Suggest another workable arrangement or ask one relevant question. You may invent details. About 40-60 Chinese characters is a guide, not a minimum.

S1 - Plan purchases before visitors arrive

A family member is planning shopping before guests arrive. Answer four fixed recorded prompts in Chinese. Each prompt plays twice, then allow 15 seconds to prepare and up to 25 seconds to record. Use real or invented details. All four responses form one task out of eight; the prompts do not adapt to your answer.

State a shopping need, choose something for the guests, explain the choice, and handle an earlier market closing time.

Use S1-1 through S1-4 audio files. Each contains two plays. Allow fifteen seconds to prepare and twenty-five seconds to record after each prompt. Four responses form one /8 task.

Recommend one activity to a classmate who is free only on Sunday morning, wants to make a greeting card for a visiting grandparent and has no craft materials at home. Compare the options, state a choice, give two reasons using the cards and describe a short plan. If your choice changes the original goal, explain that change. Prepare for 60 seconds and speak for up to 90 seconds.
